Academic Calendar Overview (One Year Plan)

Semester	Duration	Activities
Odd Semester	June – November (16.06.2025 to 07.11.2025)	Commencement of classes, mid exams, internal assessments
Even Semester	November – May (10.11. 2025 to 30.05.2026)	Continuation of academics, seminars, internships, final projects

Objectives:

Students:

1. All theory classes and labs shall be conducted strictly as per the approved academic timetable.
2. Strengthen UG programs with industry-aligned curricula.
3. Develop digital and hybrid learning models
4. Enhance placement opportunities through curriculum-industry alignment
5. Continuous assessment of academic performance through internal tests, assignments, and projects
6. Evaluation of soft skills, communication, teamwork, and leadership qualities
7. Feedback from faculty, mentors, peers, and industry experts
8. Periodic self-assessment and reflection exercises by students
9. Strengthen alumni involvement in academics and placements
10. Regular curriculum gap analysis and remedial action
11. Implement mandatory internships and industry projects
12. Conduct guest lectures, workshops, and motivational classes
13. Conduct CRT programs, mock interviews, and resume workshops
14. Conduct GATE, ECET and POLYCET coaching on campus.

Faculty:

1. Recruit PhD-qualified faculty
2. Encourage faculty participation in FDPs, conferences, and research
3. **Publication of at least one research paper** in a reputed peer-reviewed journal or conference proceedings

email : astiet@sttheressaengg.ac.in

4. **Participation in at least one workshop or seminar** related to their domain or emerging technologies
5. **Completion of at least one Faculty Development Program (FDP)** offered by recognized institutions or platforms
6. Provide incentives for publications, patents, and consultancy
7. Mandatory completion of 2 AICTE FDPs or NITTR modules per faculty

Institute:

1. Establish Memoranda of Understanding (MoUs) with reputed core industries, IT firms, and Micro, Small, and Medium Enterprises (MSMEs) to strengthen industry-institute collaboration.
2. Achieve NAAC accreditation with A grade.
3. Attain autonomous status by 2026–27.
4. Implement Performance-Based Appraisal System (Academics, Admissions and Research).
5. Strengthen IQAC for continuous quality monitoring.
6. Participate in NIRF ranking
7. Achieve 80–90% placement with increasing median salary package

Monthly Activity Planner

July

1. Orientation Program for 1st-year students (B. Tech and Diploma)
2. Induction & Bridge Courses
3. Admission finalization
4. General class work for all students (CRT-1, ENGLISH-1 and ARITHMETIC and REASONING-1) up to 31.07.2025

August

1. Regular classes and labs up to 03.08.2025
2. 1st Mid Examination up to 06.08.2025
3. Industrial Visits for EEE, MECH Diploma students
4. Industrial Visits for ECE final year B. Tech students
5. NSS activities for B. Tech first year students
6. Workshop/ Expert talk will be schedule for final year B. Tech ECE (Optical Communications)
7. Department Technical Fest
8. 20 days continuous External CRT up to 27.08.2025

September

1. Mid-Semester Feedback from students
2. PYTHON Programme for all 2nd year B. Tech students for 10 days
3. Regular classes and labs up to 31.08.2025
4. Workshop/ Expert talk will be schedule for CSE & CSE AIML (Deep Learning Techniques) and Mechanical
5. Workshop/ Expert talk will be schedule for ECE
6. NSS activities for MECHANICAL student
7. Industrial Visits for CSE students
8. Engineers' Day, Teacher's Day
9. Co-curricular Activities: Technical Seminars / Workshops
10. Online FDP Programme for Staff

October

1. Final Review of Attendance & Syllabus
2. Regular classes and labs up to 12.10.2025
3. 2nd Mid Examination up to 15.10.2025
4. Industrial Visits for ECE 3rd B. Tech students
5. Industrial Visits for CME 3rd Diploma students
6. NSS activities for ECE students
7. Workshop/ Expert talk will be schedule for ECE, EEE, CSE 2nd year students
8. Remedial Classes
9. University Practical Exams up to 25.10.2025

November

- University End Exams up to 07.11.2025
- Semester-end break
- Commencement of Even Semester
- NSS activities for CSE students
- Regular classes and labs up to 30.11.2025

December

1. Regular classes and labs up to 28.12.2025
2. Mid Examination up to 31.12.2025
3. Short-Term Courses
4. NSS activities for Diploma students
5. Parents-Teachers Meeting
6. Technical Talk

January

1. Regular classes and labs up to 12.01.2026
2. Sankranti Sambaralu on before Sankranti holidays
3. 30 days continuous External CRT up to 15.02.2026
4. Industrial Visits for EEE 3rd B. Tech students
5. Industrial Visits for EEE 3rd DEEE students
6. NSS activities for 2 nd BTech students
7. Workshop/ Expert talk will be schedule for ECE 3 rd. year students
8. Faculty Development Program for all staff

February

1. 2nd Internal Test
2. Regular classes and labs up to 30.02.2026
3. NIRF/NACC documentation review
4. Parents-Teachers Meeting
5. Annual Day, Techno-Cultural Fest
6. Entrepreneurship Awareness Workshops
7. NSS activities for 2 nd BTech students
8. Industrial Visits for MECH 3rd B. Tech students
9. Industrial Visits for CME students
10. Workshop/ Expert talk will be schedule for EEE, MECH 3 rd. year students

March

- Regular classes and labs up to 08.03.2026
- 2 nd Mid Examination up to 11.03.2026
- Industrial Training / Mini Projects (for 3rd-year)
- NSS activities for 1 st BTech students
- Graduation Day
- Placement Drives
- University Practical Exams up to 21.03.2026

April

- University End Exams up to 04.04.2026
- Final Project Reviews
- Final Exams Preparation
- Project Expo, Farewell for Final Years
